## The SOAP Obstetric History Prize

### New Competition for Residents and Fellows for SOAP Annual Meeting

Topic: Obstetric Anesthesia History

To qualify for this award, the subject of the abstract must be some historical event (e.g. development of a piece of equipment used in OB anesthesia) or person who was instrumental in the evolution of our subspecialty, or a technique of historical interest to OB Anesthesia

Submitted abstracts will be judged by the Legacy Committee and some may be invited to present a poster at the SOAP annual meeting.

Rules and procedures for submitting abstracts are the same as those for other SOAP abstracts

The winner of the competition will receive a \$250.00 prize and will be given the opportunity to write an essay on their topic for publication in the SOAP Newsletter.
