Mount Sinai Hospital
University of Toronto

Carbetocin at elective cesarean delivery: A dose finding study
BEST PAPER AWARD COMPETITION

Judges:

Pamela Flood, MD
Roshan Fernando, FRCA
Lawrence Tsen, MD
Yehuda Ginosar, MD
David Birnbach, MD, MPH
David Bogod, MBBS, FRCA, LLM
Brendan Carvalho, MBBCh, FRCA, MDCH

Stanford University

Postoperative Subcutaneous Instillation of Ketorolac but not Hydromorphone Reduces Pain, Analgesic Use of Wound Exudate Concentrations of Interleukin-6 and Interleukin-10
GERTIE MARX RESEARCH COMPETITION

Judges:

David Bogod, MBBS, FRCA, LLM
Joy Hawkins, MD
Maya Suresh, MD
Robert D’Angelo, MD
Manuel Vallejo, Jr., MD, DMD
Philip Hess, MD
Endogenous pain inhibition does not appear to be the mechanism responsible for pregnancy-induced analgesia
GERTIE MARX AWARD RECIPIENTS:

2nd Place: Joel Shapiro, MD

Hadassah Hebrew University Medical Center

Non-invasive placental and fetal organ hemodynamic monitoring using BOLD fMRI in pregnant mice: comparing the effects of maternal ephedrine and phenylephrine administration
GERTIE MARX AWARD RECIPIENTS:

1st Place: Naida Cole, MD
Mount Sinai Hospital

Carbetocin vs. oxytocin: In-vitro human myometrial contractions after oxytocin pre-treatment
ORIGINAL RESEARCH

1st Place: Allana Munro, MD
Dalhousie University

2nd Place: Stephanie Lin, MD
New York Presbyterian

3rd Place: Rebecca Klinger
Duke University
CASE REPORTS

1<sup>st</sup> Place: Elizabeth Lange, MD
University of Illinois

2<sup>nd</sup> Place: Torijaun Dallas, MD
Duke University

3<sup>rd</sup> Place: Sarah Wyhs, MD
Johns Hopkins University Hospital
SOAP CONGRATULATES

Richard Clark, MD, founding member, for his induction into the University of Arkansas for Medical Sciences College of Medicine Hall of Fame April 17, 2012
