NEW APPROACHES TO OLD PROBLEMS IN OBSTETRIC ANESTHESIA

MAY 14-18, 2014
SHERATON CENTRE
TORONTO HOTEL
TORONTO, ONTARIO
CANADA

46TH ANNUAL MEETING
REGISTRATION BROCHURE

JOINTLY SPONSORED BY THE AMERICAN SOCIETY OF ANESTHESIOLOGISTS AND THE SOCIETY FOR OBSTETRIC ANESTHESIA AND PERINATOLOGY
COME TO THE 2014 ANNUAL MEETING
IN TORONTO, ONTARIO, CANADA

Dear Colleagues and Accompanying Guests,

Welcome to Toronto and to the 46th SOAP Annual Meeting. As two members who have attended numerous annual meetings, we promise to provide you with the sessions you have come to expect and to love, while trying some new ones to hopefully pique your interest.

The meeting will be held in an exciting city with plenty of things to do. Toronto is the most populated city in Canada and is the capital of the province of Ontario. It is home to the famous CN Tower and the Casa Loma. While it is also home to the Toronto Blue Jays and Raptors, the main sport is hockey with the Toronto Maple Leafs. In order to insure that you get a true flavor of hockey, the opening reception will take place at the Hockey Hall of Fame, where you will learn everything you wanted about hockey while getting the once in a lifetime opportunity to see the Stanley Cup. The city is renowned as one of the most multicultural in the world and offers many different cuisines; you will be able to taste any type you desire within a short walk of the hotel. Please attend the complimentary early morning yoga sessions at the hotel, as you may find this an activity that will energize you to fully experience your day. The farewell banquet will be at the hotel and will offer the opportunity to relax and share some memories with colleagues. The hotel is centrally located and complimentary WiFi will be available in your room. Toronto is an easy city to explore and the best way to do it is walking and using public transportation or short cab rides. You will be steps away from plenty of shops and attractions (including the recently open aquarium just across from the CN Tower).

The pre-meeting activities will feature must-attend workshops. They are meant to address your practical needs. If you want to improve the education of your residents, nurses, or colleagues, the education workshop is definitely a must. It will prepare you for small group teaching as well as for that presentation for a larger audience. Given the popularity of the ultrasound workshops presented in previous years, we will continue to offer the comprehensive workshop on the use of ultrasound for obstetric anesthesia, as well as the one on transthoracic echocardiography. Finally, for those involved in MOCA®, one workshop will have you examine your practice concerning epidural analgesia for labor. By participating and by doing the required follow-up, you will be able to earn MOCA® Part IV credits: Practice Performance Assessment and Improvement.

The meeting will start with the Gertie Marx Competition, a tradition in which the future leaders in obstetric anesthesia have the opportunity to present their research. This session is judged with prizes awarded. Speaking of fellows, the Obstetric Anesthesia Fellowship has recently been accredited by the Accreditation Council for Graduate Medical Education. This achievement represents the hard work and dedication of Alan Santos, who will be receiving the distinguished service award. Eleni Tsigas, the executive director for the Preeclampsia Foundation, one of the largest patient-run advocacy groups and with representation in the American College of Obstetricians and Gynecologists, will be presenting. She will discuss what patients with preeclampsia wished their anesthesia providers knew. There will be multiple sessions presenting cutting edge research in obstetric anesthesia and perinatology, with oral presentations and poster reviews. There will also be a session discussing big data, which will help those interested in understanding and/or getting started in this type of research.

The first SOAP American Idol will occur. Junior faculty members will present on current topics in obstetric anesthesia and the membership will elect their favorite lecturer. The winner will be invited to present at the Sol Shnider meeting. Furthermore, there will be two patient safety panels that will provide very useful and practical information. For those involved in MOCA®, these panels will offer patient safety credits. The featured speaker for What’s New in Obstetrics will be Dr. John Kingdom, a world leader in the management of women with preeclampsia. Last but not least, we will bring back the What’s New in Neonatology to update us on the post-delivery management of the hypoxic neonate.

We are committed to offering you a meeting that provides outstanding learning in an atmosphere of great collegiality. The distinguishing feature of SOAP from other meetings is the people. Take the time to meet your colleagues and make new friends. Do not hesitate to contact either of us with questions, concerns and suggestions before or during the meeting. We want to make sure you leave Toronto thinking that this SOAP meeting was the best one to date!

Looking forwarding to seeing you all in Toronto,

Yours truly,

Robert R. Gaiser, M.D.
Scientific Chair
2014 SOAP Annual Meeting

WATCH FOR THESE FUTURE SOAP MEETINGS

2015 SOAP 47th Annual Meeting
May 13-17, 2015
The Broadmoor • Colorado Springs, CO

2015 Sol Shnider, M.D.
Obstetric Anesthesia Meeting
March 12-15, 2015
Grand Hyatt Hotel
San Francisco, California
PROGRAM INFORMATION

Mission Statement
The Society for Obstetric Anesthesia and Perinatology (SOAP) was founded in 1968 to provide a forum for discussion of problems unique to the peripartum period. SOAP is comprised of anesthesiologists, obstetricians, pediatricians, and basic scientists who share an interest in the care of the pregnant patient and the newborn.

The mission of this Society is to improve the pregnancy-related outcomes of women and neonates through the support of obstetric anesthesiology research, the provision of education to its members, other providers, and pregnant women, and the promotion of excellence in clinical anesthetic care.

A membership in SOAP is an opportunity to meet people who share your interests, and to stimulate improvements in health care for pregnant patients.

ACCME Accreditation and Designation Statements
This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint sponsorship of the American Society of Anesthesiologists and the Society for Obstetric Anesthesia and Perinatology. The American Society of Anesthesiologists is accredited by the ACCME to provide continuing medical education for physicians.

The American Society of Anesthesiologists designates this live activity for a maximum of 32 AMA PRA Category 1 Credit™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

*This amount includes the optional Pre-Meeting Workshops and Breakfast Panels.

Target Audience
The SOAP 46th Annual Meeting is intended for anesthesiologists, obstetricians, neonatologists, obstetric medicine specialists, maternal-fetal medicine specialists, residents, fellows and medical students. The Society supports the attendance by associate members in the educational sessions of the annual meeting. The program is generated from member requests and an assessment of need by the Program Committee. Attendance at this meeting does not guarantee competency or proficiency in the performance of any procedures which may be discussed or taught during the course.

Mission of SOAP Program Committee
The mission of the Society’s Program Committee is to provide anesthesiologists, obstetricians, and other physicians and members of related allied health specialties with the knowledge that will reinforce past learning as well as disseminate new concepts, practices, and skills involving anesthesiology and analgesia for the pregnant woman.

Participation in the SOAP 46th Annual Meeting
Attendance shall be open to all health practitioners, provided that they have registered for the meeting. CME credit will only be offered to M.D.s, D.O.s or equivalent. A completed Physician Verification of Attendance form must be turned in to SOAP at the conclusion of the meeting. The form will be available on-site.

Educational Format
CME activities may include the following formats: plenary sessions, debates, lectures, poster discussions, oral abstracts, problem-based learning, and skill-set workshops.

Annual Meeting Objectives
At the completion of this conference the participants should be able to:

1. Formulate comprehensive care plans for parturients with hemorrhage, severe preeclampsia and cardiovascular disease;
2. Explain the purpose of large database studies and formulate a plan for the interpretation of results from these studies;
3. Identify key elements for communication on the labor suite and develop a plan for the management of colleagues who experience an adverse outcome in the labor suite;
4. Explain the common problems confronting the parturient post-partum and increase involvement of the provider in the management of the parturient post-partum;
5. Decide whether remifentanil should be routinely offered as a means of analgesia to the laboring patient;
6. Formulate appropriate anesthetic care plans for management of complex, high-risk, and/or rare clinical cases;
7. Identify, discuss and critically evaluate current and recent peer-reviewed research related to obstetric anesthesia, obstetrics, perinatology, and allied medical disciplines;
8. Design and implement research investigations related to obstetric anesthesia, obstetrics, perinatology, and allied medical disciplines that are built upon the foundations of current research investigations;
9. Compare recent findings related to obstetric anesthesia to the prevailing standard of care, and adjust patient care plans accordingly;
10. Recognize factors related to academic success in obstetric anesthesia and apply that to career development;
11. Improve the management of the hypoxic neonate and explain the role of the provider and anesthetic management for cerebral protection

Special Needs Statement
The American Society of Anesthesiologists and the Society for Obstetric Anesthesia and Perinatology are committed to making its activities accessible to all individuals and fully comply with the legal requirements of the Americans with Disabilities Act and the rules and regulations thereof. If you are in need of an accommodation, please do not hesitate to call the SOAP office at (414) 389-8611 and/or submit a description of your needs in writing to soap@soap.org.

Commercial Support Acknowledgement
This CME activity is supported by educational grants. A complete list of supporters will be published in the course syllabus.

Disclosure
The American Society of Anesthesiologists adheres to ACCME Essential Areas, Standards, and Policies regarding industry support of continuing medical education. Disclosure of the planning committee and faculty’s commercial relationships will be made known at the time of the activity. Faculty are required to openly disclose any limitations of data and/or any discussion of any off-label, experimental, or investigational uses of drugs or devices.

Resolution of Conflicts of Interest
In accordance with the ACCME Standards for Commercial Support of CME, the American Society of Anesthesiologists and the Society for Obstetric Anesthesia and Perinatology will implement mechanisms, prior to the planning and implementation of this CME activity, to identify and resolve conflicts of interest for all individuals in a position to control content of this CME activity.
Oral and Poster Sessions:

Oral Presentation 1
These are our first oral presentations, a sampling of peer-reviewed scientific research related to obstetric anesthesia, followed by a question and answer session.

Oral Presentation 2
Oral presentations of peer-reviewed scientific research related to obstetric anesthesia continue in this second session. A short question and answer period follows.

Poster Session 1
This is the first review of the posters. The moderator will highlight several poster presentations of peer-reviewed scientific research.

Poster Session 2
We continue our review of the posters, in which the moderator chooses those poster presentations for discussion that he finds most intriguing.

Poster Session 3
Our final poster review. We wrap up discussion of the research poster presentations.

General Session/Other:

Best Paper Session
Presentation of obstetric anesthesia research judged by peers as the best quality research currently taking place, moderated by a leader in the field. A question and answer period will be included. This is a judged competition.

Caring for Our Own: Focusing on the Care Provider to Optimize Safety
An adverse outcome will occur to nearly all providers at least once during their career. Everyone is aware of the harm to the patient; very few address the harm to the provider. This panel will assist in helping colleagues who experience an adverse outcome. Poor communication is the primary reason for poor outcomes on labor and delivery. Effective communication skills for colleagues, as well as for a disruptive colleague will be presented.

Case Report Review
You did what?! Join us for this presentation of the anesthetic management of complex, high risk, and/or rare clinical cases, moderated by Manuel Vallejo.

Gertie Marx Competition
In memory of Gertie Marx, this session is a presentation of obstetric anesthesia research judged by peers as the best quality research done by medical students, residents, and fellows, moderated by a leader in the field. This is a judged competition.

Gertie Marx/FAER
We are thrilled to welcome Ms. Eleni Tsigas, the Executive Director for the Preeclampsia Foundation. She will be discussing what patients with preeclampsia wished their anesthesia providers knew. She will also be covering how to be alert to the physical, emotional and intellectual needs women with hypertensive crises, and their partners, may have.

Fred Hehre Lecture
This is an honorary lecture, in memory of Fred Hehre, and awarded to that person judged by his peers to have made significant contributions to the field of obstetric anesthesia. David Wlody provides us with an understanding of factors that contribute to success in an academic obstetric anesthesia career.

Helping New Moms Get Ready to Rock in the PostPartum: Obstetric Anesthesia Beyond Labor and Delivery
This panel will address the many clinical problems faced by women in the immediate postpartum period, including pain, anemia, fatigue, infection and postpartum depression. It will offer those in attendance the opportunity to reflect on the role of the Anesthesiologist as a perioperative physician in leading programs to promote safer and faster postpartum recovery.

Obstetric Anesthesia American Idol
Many great speakers do not receive the opportunity to present to a large meeting due to being junior. This panel will allow junior members present a topic regarding obstetric anesthesia to the membership. Members will benefit from the knowledge while the presenter will have the opportunity to speak before a large audience. Speakers will receive feedback from the judges of world famous speakers and YOU will decide who is the Obstetric Anesthesia American Idol.

Ostheimer/What’s New in OB Anesthesia?
Always a highlight of the meeting, the Gerard Ostheimer lecture is a review of important, relevant, and/or practice-changing literature related to obstetric anesthesia, obstetrics, perinatology, and allied medical disciplines that was published in calendar year 2013. This presentation will bring you up to date on the latest evidence-based advances in the anesthetic management of pregnant women.

Practical Suggestions for Improving Safety in Your Unit
Patient safety is the primary goal for everyone. This panel will provide practice suggestions and discuss potential pitfalls that exist in the labor suite. The use of checklists and their value for the labor floor will be discussed. This panel will identify key patient safety initiatives to be applied in the labor suite and identify the role of the anesthesia provider in patient safety on the labor suite.

This patient safety activity helps fulfill the patient safety CME requirement for Part II of the Maintenance of Certification in Anesthesiology Program® (MOCA®) of The American Board of Anesthesiology® (ABA®). Please consult the ABA website, www.theABA.org, for a list of all MOCA requirements.

Maintenance of Certification in Anesthesiology Program® and MOCA® are registered certification marks of The American Board of Anesthesiology®.

Pro-Con
Should Remifentanil be routinely offered for labor analgesia? Watch this lively debate and decide!

Research Hour
Join us for this thoughtful discussion of big data in OB anesthesia.

What’s New in Obstetrics?
We welcome John Kingdom, Chair of the Department of OB/GYN at the University of Toronto, who will update us on current issues and future directions in the management of patients with severe preeclampsia.

What’s New in Neonatology?
We welcome Jeffrey Perlman from Weill Cornell Medical College to provide an update on post-delivery management of the hypoxic neonate.

This patient safety activity helps fulfill the patient safety CME requirement for Part II of the Maintenance of Certification in Anesthesiology Program® (MOCA®) of The American Board of Anesthesiology® (ABA®). Please consult the ABA website, www.theABA.org, for a list of all MOCA requirements.
Teaching Obstetric Anesthesia in 2014 Workshop
(limited 30 attendees)
Additional fee: $295

- Wednesday, May 14, 2014, 8:00 a.m. – 12:00 p.m.
Course Directors: William R. Camann, M.D.; Regina Y. Fragneto, M.D., D.M.D; Richard C. Month, M.D.; Manuel Vallejo Jr., M.D., D.M.D

Effective teaching requires effective communication, presentations, and knowledge. This workshop is designed for both the academician and private practitioner who will be teaching colleagues, nurses, and patients obstetric anesthesia. The workshop instructors will demonstrate the effective integration of the Ipad into education and will allow the practitioner to become skilled in education from presentations to large audiences to bedside teaching.

The Use of Ultrasound in Obstetric Anesthesia: Vascular Access, Neuraxial Anesthesia, TAP Block and Gastric Assessment Workshop
(limited to 36 attendees)
Additional fee: $295

- Wednesday, May 14, 2014, 8:00 a.m. – 12:00 p.m.
Course Director: Jose C.A. Carvalho, M.D., Ph.D., FANZCA, FRCPC

Our popular ultrasound workshop is back! This session consists of four mini-lectures and hands-on experience with volunteer human patients to give the participant the necessary practical skills for the use of ultrasound for vascular access, transverse abdominis plane blocks, neuraxial anesthesia and gastric assessment.

Use of the Transthoracic Echocardiogram in the Management of the High Risk Parturient Workshop
(limited to 24 attendees)
Additional fee: $295

- Wednesday, May 14, 2014, 1:00 p.m. – 5:00 p.m.
Course Directors: Brendan Carvalho, M.B.B.Ch., FRCA, M.D.C.H.; John T. Sullivan, M.D., M.B.A
Faculty: Christopher R. Cambic, M.D.; Laurie A. Chalifoux, M.D.; Erin Hennessey, M.D.; Rachel M. Kacmar, M.D.; Sara Nikravan, M.D.

Specifically tailored to the anesthesiologist with little or no prior experience, this workshop consists of a short didactic session followed by a hands-on workshop with volunteers to familiarize the participant with the use of bedside transthoracic echocardiography to assess volume status and cardiac function.

Management of the Failed Epidural Workshop
MOCA® Part IV: Practice Performance Assessment and Improvement Approved
(limit 25 attendees)
Additional fee: $295

- Wednesday, May 14, 2014, 1:00 p.m. – 5:00 p.m.
Course Directors: Regina Y. Fragneto, M.D.; Robert R. Gaiser, M.D.; Vernon H. Ross, M.D.

The use of general anesthesia for cesarean delivery involves the risk of airway management. Its use may be avoided by appropriate use of epidural analgesia for labor. However, a poorly functioning epidural catheter will provide inadequate anesthesia and require general anesthesia. The key to avoiding this risk is identifying the poorly functioning epidural catheter. This workshop will address means to identify the poorly functioning epidural and help the practitioner identify when to replace an epidural catheter. During this workshop, policies for the management of labor analgesia and accidental dural puncture will be designed by the group. Successful completion of this workshop and follow-up will fulfill the requirements for MOCA® Part IV. Practice Performance Assessment and Improvement.

This PPAI activity fulfills the Case Evaluation requirement of Part IV of the Maintenance of Certification in Anesthesiology Program® (MOCA®) of The American Board of Anesthesiology® (ABA®). Please consult the ABA website, www.theABA.org, for a list of all MOCA requirements.

Breakfast Panels (limited to 50 attendees per panel)
Additional fee: $95

- Sunday, May 18, 2014, 7:00a.m. – 8:30 a.m.

Legends Remembered

This panel will introduce those new to SOAP to the individuals who they have heard mentioned in a meeting and understand their contribution to obstetric anesthesia. An additional $25 donation is suggested for the SOAP Endowment Fund.

Publication in Obstetric Anesthesia

Speakers: Pamela Flood, M.D.; Robin Russell, M.D.; Cynthia A. Wong, M.D.

Publication is required for promotion as well as for advancement of the specialty. Many times, one has a great idea. This breakfast panel will take you from the idea phase to publication. The panel will discuss the publication process and typical errors authors make.

A Career in Obstetric Anesthesia

Speakers: Craig Palmer, M.D., Senior Career Member Perspective; Edward A. Yaghmour, M.D., Mid Career Member Perspective; Paloma Toledo, M.D., M.P.H., Junior Career Member Perspective

A career in obstetric anesthesia, both from a private practice and an academic position, is daunting. This panel will provide various perspectives and will prove the benefits in obstetric anesthesia. This panel will discuss opportunities for research, clinical administration, hospital administration, as well as advocacy.
## PROGRAM SCHEDULE

### Wednesday, May 14, 2014

### 7:00 a.m. - 6:00 p.m.
- **Registration Hours**

### 8:00 a.m. - 12:00 p.m.
- **Teaching Obstetric Anesthesia in 2014 Workshop**
  - Course Directors: William R. Camann, M.D.; Regina Y. Fragneto, M.D.; Richard C. Month, M.D.; Manuel C. Vallejo, Jr., M.D., D.M.D.

### 8:00 a.m. - 12:00 p.m.
- **The Use of Ultrasound in Obstetric Anesthesia: Vascular Access, Neuraxial Anesthesia, TAP Block and Gastric Assessment Workshop**
  - Course Director: Jose C.A. Carvalho, M.D., Ph.D., FANZCA, FRCPC

### 1:00 p.m. - 5:00 p.m.
- **Use of the Transthoracic Echocardiogram in the Management of the High Risk Parturient Workshop**
  - Course Directors: Brendan Carvalho, M.B.B.Ch., FRCA, M.D.C.H.; John T. Sullivan, M.D., M.B.A.

### 1:00 p.m. - 5:00 p.m.
- **Management of the Failed Epidural Workshop**
  - Course Directors: Regina Y. Fragneto, M.D.; Robert R. Gaiser, M.D.; Vernon H. Ross, M.D.

### 6:00 p.m. - 8:00 p.m.
- **Welcome Reception at the Hockey Hall of Fame**

### Thursday, May 15, 2014

### 6:00 a.m. - 6:00 p.m.
- **Registration Hours**

### 6:00 a.m. - 7:00 a.m.
- **Yoga Class (Optional)**

### 6:30 a.m. - 7:15 a.m.
- **Continental Breakfast & Poster Viewing - Exhibits Open**

### 7:15 a.m. - 7:30 a.m.
- **Welcome to the 46th Annual Meeting**
  - Jose C.A. Carvalho, M.D., Ph.D., FRCA, M.D.C.H.; Robert R. Gaiser, M.D., Barbara M. Scavone, M.D.

### 7:30 a.m. - 9:00 a.m.
- **Gertie Marx Research Competition**
  - Moderator: Gerard M. Bassell, M.D.

### 9:00 a.m. - 9:15 a.m.
- **Distinguished Service Award**
  - Recipient: Alan C. Santos, M.D., M.P.H.
  - Presenter: David J. Wlody, M.D.

### 9:15 a.m. - 10:00 a.m.
- **Coffee Break, Exhibits & Poster Viewing**

### Friday, May 16, 2014

### 6:00 a.m. - 2:00 p.m.
- **Registration Hours**

### 6:30 a.m. - 7:45 a.m.
- **Continental Breakfast & Poster Viewing - Exhibits Open**

### 7:45 a.m. - 9:00 a.m.
- **Best Paper Session**
  - Moderator: Paloma Toledo, M.D., M.P.H.

### 9:00 a.m. - 10:30 a.m.
- **Caring for Our Own: Focusing on the Care Provider to Optimize Safety for Our Patients**
  - • Teaching Effective Communication on Labor & Delivery
    - Speaker: May C.M. Pian-Smith, M.D., M.S.
  - • The Second Victim
    - Speaker: Stephen Pratt, M.D.
  - • Motivating the Rat: Managing the Disruptive Co-Worker
    - Speaker: Lawrence C. Tsen, M.D.

**Sheraton Centre Toronto Hotel**
123 Queen Street West
Toronto, ON M5H 2M9
Phone: (416) 361-1000

Book your guest room at the beautiful Canada Sheraton Centre Toronto Hotel. The Room Rate is **$235 CAD single/double plus taxes**; the cut-off date is **April 21, 2014**. In order to make reservations online, visit: [https://www.starwoodmeeting.com/Book/SOM12A](https://www.starwoodmeeting.com/Book/SOM12A)

You may also call Sheraton Reservations at 1 (800) 325-3535. You will need to mention **SOAP Annual Meeting** when making reservations to ensure the special convention rate. Please be advised that a credit card is required to guarantee room reservations.

**Airport, Driving & Transportation**

**Toronto Pearson International Airport**
Sheraton Centre Toronto Hotel is located only 17 miles from the Toronto Pearson International Airport.

**Car Rental**
All major car rental companies are represented at the Toronto Pearson International Airport.

**Directions From Toronto Pearson International Airport**
Follow Hwy. 401 East to Hwy. 427 South. Take Hwy. 427 South and follow signs for Hwy. QEW (Queen Elizabeth Way). The QEW turns into the Gardiner Expressway. Once on the Gardiner Expressway watch for York St. exit. Take York St. exit ramp (stay on the left hand side of the ramp) and follow York St. until it ends at Queen St. Turn right on to Queen and you will see our Motor Court entrance immediately on the right hand side.

**Hotel Parking**
$48 CAD Valet Parking.

**Local Downtown Toronto Pay Parking Lots**
With close proximity to the hotel, there are several pay-lots that offer parking options from the half-hour to overnight.

---

**Climate**
Toronto’s climate is mild. The average temperature in Toronto for the month of May is 62°F (17°C).

**Time Zone**
Eastern Standard Time (EST).

**Currency**
Canadian Dollar. Major Credit Cards accepted in most establishments. Tipping is customary at 15-20% throughout Toronto.

**Passport Information**
Passports are required for US citizens. Foreign nationals should also have valid passports and required visas. For more information, visit Citizenship and Immigration Canada at: [www.cic.gc.ca/english/visit](http://www.cic.gc.ca/english/visit)

For Visa information, please visit: [http://www.cic.gc.ca/english/visit/visas.asp](http://www.cic.gc.ca/english/visit/visas.asp)
ATTENDEE ACTIVITIES

Wednesday, May 14, 2014
Welcome Reception
(Included in your attendee full conference registration fee)
6:00-8:00 p.m., Hockey Hall of Fame
Join us at the premier hockey attraction of Toronto and the home of all things hockey to kick off a great meeting!

Thursday, May 15, 2014
Yoga
(Included in your attendee full conference registration fee)
6:00 - 7:00 a.m.
Yoga means union and the practices of yoga are designed to bring us back to a state of harmony (uniting breath, body and mind). In this gentle, slow paced hatha yoga class, we will stretch and flow through traditional yoga postures exploring mindful movement and connection to the breath. A perfect way to start the morning, expect to leave this session both calm and energized, ready to enjoy a great day!

This class is open to all levels of participants (beginners to advanced) and modifications will be provided for different levels so everyone can enjoy a safe, interesting practice.

Saturday, May 17, 2014
Yoga
(Included in your attendee full conference registration fee)
6:00 - 7:00 a.m.
Yoga means union and the practices of yoga are designed to bring us back to a state of harmony (uniting breath, body and mind). In this gentle, slow paced hatha yoga class, we will stretch and flow through traditional yoga postures exploring mindful movement and connection to the breath. A perfect way to start the morning, expect to leave this session both calm and energized, ready to enjoy a great day!

This class is open to all levels of participants (beginners to advanced) and modifications will be provided for different levels so everyone can enjoy a safe, interesting practice.

SOAP Awards Banquet
(Banquet Tickets $120 - Children $75)
6:00 – 10:00 p.m., Sheraton Centre Toronto Hotel
Enjoy an elegant dinner and the sounds of jazz with your colleagues and friends, old and new.

OPTIONAL TOURS & EXCURSIONS

Friday, May 16, 2014
Niagara Falls Day Tour
Cost: $115.00 per person
Age Limit: Under 18 must be accompanied by an adult
Includes: Round trip transportation, full Niagara Falls tour, visit to Niagara on the Lake, Hornblower Cruise ride, buffet lunch.
Attire: Casual, comfortable walking shoes.
Your trip to Toronto would not be complete without a visit to one of the Seven Wonders of the World. Enjoy a full day tour down to the Niagara Falls and area. Your trip will begin directly at your hotel front door where your deluxe 56 passenger coach/driver and private tour guide will escort you for the full day. Your trip will include, weather permitting, a boat ride on the amazing Hornblower cruise (was the world-famous Maid of the Mist boat). There will be some free time to do a little souvenir shopping before a delicious buffet lunch overlooking the Falls. As the coach heads back to Toronto, you will pass through the picturesque 19th-century town of Niagara-on-the-Lake where craft stores and specialty shops can be found on every corner. Your camera is a must.

Excursion Details
8:45 a.m.  Assemble in the Lobby
9:00 a.m.  Depart Hotel
6:00 p.m.  Return to Hotel
Welcome Reception
(Included in your guest registration fee)
6:00-8:00 p.m., Hockey Hall of Fame
Join us at the premier hockey attraction of Toronto and the home of all things hockey to kick off a great meeting!

Enjoy an elegant dinner and the sounds of jazz with your colleagues and friends, old and new.

THE SOAP 46TH ANNUAL MEETING WILL BE PAPERLESS

Printed documents will not be available at the meeting. Documents will be available on the website should you wish to print them beforehand or to download them to an iPad or other tablet device before the meeting. The complete conference documents will also be available via a flash drive that will be distributed to you at the meeting.

Making a meeting paperless yields the benefit of considerably reducing the cost and the carbon footprint of the meeting. A paperless meeting also makes it easier for meeting participants to locate and store documents and allows for faster preparation and distribution of conference materials.

To facilitate the paperless meeting, meeting attendees are requested to follow these suggestions:

• Meeting participants should bring their own computing devices – extra computers are not available for use during the meeting. Questions concerning rental of any computer equipment may be directed to the Sheraton Centre Toronto Hotel AV department. The Sheraton Centre Toronto Hotel also has a business center for printing documents.

• Wireless internet is NOT available in the meeting rooms, but is available in guest rooms and in other hotel locations. Power sources (power strips) will NOT be available in the meeting rooms. Please be sure your portable devices are fully charged before coming to the meeting, or print your documents in advance of the meeting.

• Each meeting participant should include a current e-mail address when completing the meeting registration form in order to be able to receive correspondence about the meeting materials.
