Online
November
12th!

R. d'Arby Toledano, MD, PhD

*Assistant Professor of Anesthesiology
SUNY Downstate Medical Center
Director of Obstetric Anesthesia,
Lutheran Medical Center, New York, NY*

Controversies in Epidural Anesthesia & Analgesia

This webinar will focus on controversies during the initiation of epidural A&A, including: optimal position for placement, LOR to air or saline, does the ideal test dose exist? This webinar will be in Jeopardy format, so get those buzzers ready! (Participation encouraged, but not required.)

Date/Time: Wednesday, November 12, 2014 at 12:00 PM PST/3:00 PM EST

Location: <https://global.gotomeeting.com/join/702903989>
