

# SOAP & OpenAnesthesia present:

## OB Anesthesia Fellows Virtual Grand Rounds

Bring your  
**DEVICES** for  
POLLs!

### Rebecca D. Minehart, MD

Assistant Professor of Anaesthesia,  
Harvard Medical School  
Assistant PD, MGH Anesthesia Residency  
Program Director, MGH OB Anesthesia Fellowship  
Massachusetts General Hospital, Boston, MA

### Liver Disease in Pregnancy

*Liver disease during pregnancy results from a number of potential etiologies, and although treatment options may be similar, it is critical to investigate and diagnose these etiologies for the future health of the mother and newborn. During this talk, we will be discussing the implications of liver disease in pregnant women and will provide a framework for evaluating such women when they present.*

**SEE ATTACHED POLLING SHEET to VOTE at this lecture!!!**

**Date/Time:** Wednesday, April 8, 2015 at 12:00 PM PST/3:00 PM EST

**Location:** <https://global.gotomeeting.com/join/777041541>
