

SOAP & OpenAnesthesia present:

OB Anesthesia Fellows Virtual Grand Rounds

Online
May 20th
2015

Susan D. Izatt, MD, MEd

Associate Professor of Pediatrics,
Associate Neonatal Program Fellowship Director
Duke University Medical Center
Durham, North Carolina

Neonatal Transition

The presentation will review neonatal transition, including an overview of the fetal circulation and the adaptations which take place during and after delivery. The impact of transition upon resuscitation of the newborn will also be discussed.

Date/Time: Wednesday, May 20, 2015 at 12:00 PM PST/3:00 PM EST

Location: <https://global.gotomeeting.com/join/777041541>
