11th!

Brian Bateman, MD, MSc

Associate Professor, Department of Anesthesiology and Pain
Medicine
Chief of Obstetric Anesthesia
Brigham & Women's Hospital/Harvard Medical School, Boston, MA

Opioids in Pregnancy and the Postpartum Period

In part one, we will discuss the use of prescription opioids during pregnancy and the associated risks.

In part two, we will discuss prescription opioid use following cesarean delivery.

Articles for Discussion:

- Bateman BT, et al. Patterns of opioid prescription and use after cesarean delivery. *Obstetrics & Gynecology* 2017.
- Bateman BT, et al. Persistent opioid use following cesarean delivery: patterns and predictors among opioid naïve women. *AJOG* 2016.
- Desai RJ, et al. Exposure to prescription opioid analgesics in-utero and the risk of neonatal abstinence syndrome. *BMJ* 2015.
