ABOUT SOAP

The Society for Obstetric Anesthesia and Perinatology (SOAP) was founded in 1968 to provide a forum for discussion of problems unique to the peripartum period. With over 1,500 members, SOAP is comprised of anesthesiologists, obstetricians, pediatricians, and basic scientists who share an interest in the care of the pregnant patient and the newborn.

The mission of this Society is to improve the pregnancy-related outcomes of women and neonates through the support of obstetric anesthesiology research, the provision of education to its members, other providers and pregnant women, and the promotion of excellence in clinical anesthetic care.

If your products and services relate to any of these or similar topics, or are targeted to anesthesiologists, obstetricians, neonatologists, CRNAs or basic scientists involved in obstetric anesthesiology and perinatology, you should plan now to exhibit at the largest events devoted exclusively to this highly specialized audience!

SOAP ANNUAL MEETING

The SOAP Annual Meeting, which attracts over 800 participants, is recognized for its dynamic program, quality research presentations and information on the latest advances in the practice of obstetric anesthesia. The information presented, and collaborative environment provided, enhances the attendees ability to care for patients and develop their practice. The CME approved educational program attracts the thought leaders in obstetric anesthesia. The exhibit area and schedule are designed to provide you time to have an impactful interaction with the meeting attendees.

This year’s 2020 Annual Meeting program will offer many opportunities to interact with experts in the field as participants attend sessions on the following topics: Point of Care Ultrasound; Transthoracic Point of Care Ultrasound; High Risk Conditions; Enhanced Recovery; Obstetric Hemorrhage; Chronic Pain and Opioid Addiction; Physician Wellness; Practice Management; Mental Health (including Post-Partum Depression); and Post Dural Punture Headache.

3. Exhibition Standards: The exhibit area is open 90 minutes before and 90 minutes after the stated exhibit times. Exhibits and promotional materials should be dignified and truthful, and designed to provide useful and reliable information. The exhibition of a product or service at a SOAP meeting does not constitute a SOAP endorsement of the product or service, or of the claims made. Drugs or devices which require pre-market approval from the FDA or which must comply with established product standards will not be eligible to exhibit unless FDA approval has been obtained or the appropriate product standard is met. SOAP reserves the right not to sell space for the exhibition of any product or service that is at issue or in litigation with a government agency.

4. Permissible Exhibits/Product and Material Distribution: All business activities of the exhibitor must be within the exhibitor’s allotted exhibit space. In connection with the distribution of product samples in the exhibitor’s tabletop(s), these samples must be distributed at least two feet in front of the table. The serving or consumption of alcohol is prohibited. The use of propane, butane or other combustible bottled gas is prohibited. Helium balloons are not permitted. Participating firms will be limited to those which have obstetric anesthesia directed products, equipment or services. At the request of SOAP, made at any time or times before or during the display, exhibitor must promptly furnish SOAP with sample products, packages, labels, advertising and promotional literature that would be or is being distributed before exhibitor will be eligible to participate or continue in the exhibition. SOAP reserves the sole and absolute right to determine which firms and products are appropriate in its judgment for inclusion in the exhibition and to refuse, cancel or restrict any applicant or exhibit that SOAP considers undesirable for any reason. This provision applies to exhibitor’s conduct, articles, printed matter, samples, questionnaires or anything that SOAP deems objectionable. If SOAP decides that any of these do not meet its standards or are not suitable, the exhibitor must at once comply with SOAP demands or can withdraw and, if appropriate, receive a refund of the rental fee paid, prorated for the unused time.

5. Shipping Information: SOAP may retain a company to assist with shipping and provide services on site to exhibitors. Please call the SOAP office at (414) 389-8611 or email scott@soap.org for information. Your company may use your own preferred carrier for shipping. Please remember to verify procedures and costs with your carrier on customs, taxes and schedules of delivery to the meeting site.

6. Carpet: The exhibit area is carpeted. It is also suggested that additional carpet be compatible with the exhibit hall colors.

7. SOAP’s Purpose: SOAP’s purpose in conducting these meetings is to advance knowledge within the areas of its goals through its educational programs, its communication and resource information.
